The parent/legal guardian of each child named below has given permission for them to participate in airsoft, paintball or laser games and for photographs taken on the day to be used in promotional material.

They understand that there are hazards in the woods: fallen trees, sharp objects, trip hazards, holes etc. and that paintballs can sometimes bruise the skin.

I, on behalf of the players mentioned below, confirm that Ambush Paintball Ltd shall not be liable for any damage, cost or expenses arising from his/her attendance, except in the respect of death or personal injury resulting from any omission or act of negligence.

I will ensure that all participants attend the briefing giving full instruction on the game & site rules, use of the equipment, and safety procedures. These rules are to ensure safe play and to maximise the enjoyment of all those taking part. I understand that failure to follow these rules may disqualify this individual or their group from continuing to participate in the game. Refunds will not be issued in such instances.

I believe the children to be physically fit and able to participate in the games and recognise that the game may require a level of exertion. I will declare to the Game manager any illnesses such as asthma, heart disease etc as these conditions may be aggravated by participation.
